## ABOUT THE CLUB

Membership of the Kingstar Racing and Breeding Club will provide you with a great experience of all aspects of the racing and breeding industry versus the cost of alternatives like buying a share in a syndicated horse.

The Kingstar Racing and Breeding Club is backed by Matthew Sandblom who is the owner of Kingstar Farm and the part owner of Newgate Farm.

In recent years Matthew has raced horses like Capitalist, Russian Revolution, Invader, Extreme Choice, I Am A Star and Dissident. Matthew has a passion for racing and breeding at all levels of the industry and has set up this club as a way for more people to get involved in racing and breeding and have a great experience without blowing the budget.

Capitalist - Group 1 Golden Slipper

Dissident - Australian Horse of The Year

I Am A Star - Group 1 Myer Classic
